
Join Us for the Ultimate Horse-Lover's Experience!

Raspberry Ridge Farms Almonte location has nearly 300 acres of woods, ponds and trails with both an outdoor grass arena and a longe ring/round pen. The horses and ponies are happy and well cared-for and our camp director is a **certified Level 3** coach. We offer primarily English riding, but can offer western as well!

Horses aren't just part of our camp, they are our camp!

Daily hands-on activities include: (depending on age/level of rider) leading, haltering, safe horse-handling techniques, cleaning stalls and paddocks, grooming and feeding the horses, cleaning tack, as well as learning to ride safely and responsibly.

Our campers are Happy Campers!

For years we have been instilling a love of horses and other animals (We have donkeys, llamas, chickens and ducks, too!) combined with learning the skill of riding, and the healthy activity level that keeps kids strong.

When we previously offered overnight camp, we attracted campers from all over the world (including China, Korea, England, France, the Middle East, Holland, the U.S., Argentina, Germany, Australia, Iceland...!)
